

Dear Charity Administrator,

We have recently completed the AmazonSmile donations for the 2021 Q2 disbursement cycle to organizations that generated the \$5 minimum disbursement amount or more.

Carbondale Historical Society and Museum Inc (EIN: 23-2273752) did not receive a donation this quarter from the AmazonSmile Foundation because your donation balance was less than the \$5 minimum disbursement amount. Don't worry - we will hold your donation and add it to a disbursement in a future quarter.

For more details, visit org.amazon.com and click on the Receive Donations tab.

Thank you,
Your AmazonSmile Team
